THE ARTIST'S COMMITMENT TO CHRISTOS COLLECTIVE (CC)

1. I will support CC's Mission, Goal, Objective, and Vision through my art practice - both inside and outside of my involvement with CC.
2. I will support CC financially through a recurring monthly contribution of at least \$25.00 each month using the donate page on CC's website.

3. I will attend the monthly group meetings to support and be supported by the artist communities.
4. I will miss no more than 3 meetings within a 12 month span. My absence of 4 or more meetings will result in my evaluation, possibly resulting in probation or dismissal.
5. I understand that each Artist Group has a leader and a Google Docs note taker, each commitment lasting one year. I may be called upon to fill one of these roles during my commitment.
6. I will participate in the group voting privilege and prayer chain.
7. I will communicate clearly and work effectively with the Program Manager to provide everything needed for each show/exhibit I'm participating in to include, but not be limited to: delivering and removing my artwork from the venue, creating a show card, writing a show story, and helping with the installation and/or deinstallation of the show/exhibit.
8. I will participate in CC's programming to include, but not be limited to: artist talks and/or educational talks, art sales and/or silent auctions, and community engagement. Each program will have its own list of needs from the artists, depending on the particular program.
9. When I wish to participate in a show or exhibit, I will respond to CC's Call for Entry with any needed materials - such as images of my completed artwork, description of the artwork (size, media, etc.), the sale price of my artwork, a signed contract, my personal art website link, a general Artist Statement, and Bio so CC can represent me on their website. All copyrights remain with me, the artist, but I grant CC publication permission for these purposes.
10. I will maintain an art practice outside CC and share any events with CC so they may promote my art.
11. If I use social media, I will support CC on social media to advance the public presence, for example, by tagging CC in my posts where appropriate, reposting their posts, leaving comments on their posts, liking their posts, using their designated hashtags in my posts, etc.
12. I will handle all sales of my art individually with my own tax responsibilities.
13. If I sell my artwork through a CC exhibition, I will, out of appreciation for the sales opportunity, donate 10% of my gross art sale amount to CC to further support the mission. I will be able to claim this 10% donation as a tax deductible donation on my taxes.
14. I will encourage the recruitment of new CC artists.
15. I will sincerely make an effort to participate in CC's fundraising campaigns and efforts, as directed by the Board of Directors.
16. If I choose to sign on to a one-year commitment to the Artist Cultivation Program I will be held accountable to the mentoring program as stated in its separate documents.

I understand and agree to honor my Commitment to Christos Collective for the year of 2022, as stated above. If I choose to leave Christos Collective during 2022, I will present my statement, in writing, with a month's notice.
